

*Glass Fusing!!  
&  
Barrel Firing*

# THE POTTERS HOUSE –Jan 6<sup>th</sup> – Feb 24<sup>th</sup> (8 Wed @ 7:30 pm \$230)

615 Pioneer Drive, Irricana

## Adult Class Project Schedule

<p>Jan. 6<sup>th</sup> <b>Hand built mug or tumbler</b> In this class we will talk about the rules and guidelines for working with clay. We will be working at the hand-building table to roll out and assemble a functional mug.</p>		<p><b>HOMEWORK</b> think on a pattern you want for next weeks stamp.</p>
<p>Jan 13<sup>th</sup> <b>Glazing mugs and pottery wheel.</b> We will spend most of our time working on centering the clay on the wheel to create a bowl. We will be adding glaze to our bisque fired mugs and creating a stamp that we will use next week.</p>		<p>Think about a theme, pattern or design you want to put on next weeks tiles.</p>
<p>Jan 20<sup>th</sup> <b>Tiles for a tray.</b> In this class we will literally be throwing clay to create a slab, then cutting the clay into tiles, decorating them by either stamping or carving.</p>		
<p>Jan 27<sup>th</sup> <b>Glazing tiles and wheel work.</b> In this class we will be glazing our bisque fired tiles. We will also be working on the wheel to create a cylinder, learning to gain height then burnishing the pot to be used in our barrel firing at the end of the season.</p>		<p>Think on a shape for your eccentric bowl</p>
<p>Feb. 3<sup>rd</sup> <b>Eccentric bowl.</b> In this class we will create a template using cardboard, nylon, duct tape, and other molds. Then throwing and rolling out clay to place into our template to create an eccentric bowl. We will also add minerals and the like to our pots for next week's barrel firing.</p>		
<p>Feb 10<sup>th</sup> <b>Barrel Firing and glass pendant making.</b> In this class we will add minerals to our pots and place them in a barrel fire. We will also be creating clay and glass pendants/ jewellery.</p>		
<p>Feb 17<sup>th</sup> <b>Assembly of tray and wheel work.</b> In this class we will assemble our tiles to create our tray and we will be working on the pottery wheel to create a plate and spoon rest.</p>		
<p>Feb 24<sup>th</sup> <b>Glazing our eccentric bowl and plate.</b> In this class we will be adding glaze to our final projects and assembling our pendants. Maybe playing on the wheel if there is time!</p>
